A criterion for federal aid eligibility is earning academic credit. Information in the U.S. Department of Education's central database for student aid, the National Student Loan Data System (NSLDS), <https://www.nslds.ed.gov> indicates you have received a Federal Pell Grant and/or a Federal Direct Loan at multiple institutions during the past four years. The information also indicates that you may not have received academic credit at each of the institutions.

You cannot receive financial aid at Northeastern Illinois University until you provide the Financial Aid Office with information about your academic credit status at each institution in which you enrolled between summer 2013 and the present.
