Happy Valentine’s Day

Nothing says how much you care for your family by encouraging them to be the best they can be.

The center is raising awareness for The Leukemia & Lymphoma Society’s mission to find a cure for leukemia and related cancers. Spare change will make a difference one penny at a time. Collection boxes will be placed in each classroom and you will also receive a personal collection box with a flyer explaining the cause. We look forward to your support!

Our parents have expressed that they would love their children to go out and play in the snow. We can make this happen but we need your support, parents! Please make sure your child comes to school with their gloves, hats, scarfs, boots, indoor shoes to change into, and snow pants (if able).

All children in each classroom must have appropriate winter attire in order for the whole class to go outside. If only half of the children have their winter gear but the other half does not, we can not go outside.

PAC News

It is a busy time for PAC so come join us. We are finalizing spending goals, starting to plan for Teacher Appreciation Week and talking about Spring fest.

All parents are welcome.

Next PAC meeting Wednesday, February 11th at 5pm.
