Dear Parents,

The Kangaroos, Ms. Bobbi and I had a wonderful time learning and discussing the topic of Community Helpers. We explored many careers such as Police Officer, Quarter Backs, Race Car Racer and Scientists just to name a few. The children really seemed to enjoy discovering the different kinds of jobs that are available for both girls and boys. I hope that we all can continue to encourage them to follow their career dreams without placing a gender on it.

A sincere thanks to all the families who helped raise funds for the Leukemia & Lymphoma Society.

For the month of March, there are a lot of things happening. First, I plan to introduce the following letters T, U, V and W. These letters will be integrated into the main topic which is Transportation as well as in all the learning centers. The numbers will also be reviewed.

The center’s book fair is on March 13, 2015 and our picture day is on 3-11-15 this year. Dress to impress! Parents please check your child’s clothes box. I know you’re busy, but many still do not have the appropriate clothing for the crazy weather we are experiencing.

Lastly, PAC is hosting a Food Fight Drive. There are asking every family to contribute nonperishable food item during the week of 3-16 to 20-15.

Date to Remember:
3-2-15 Jezalyn’s 4th Birthday
3-9-15 Picture orders and money due!
