The Literacy Center at Northeastern Illinois University is currently accepting applications for our Summer 2015 tutoring program. The teachers in the tutoring program are graduate students who are completing an advanced degree to become Reading Specialists or Reading Teachers. The tutoring program provides an in-depth literacy diagnosis and individualized instruction for students in grades 1 thru 12 in order to improve reading and other literacy skills. All sessions are conducted under the direct supervision of a faculty member in the Literacy Education Department. In fall and winter, sessions are twice weekly in the late afternoon. In summer, students can choose between the Monday through Thursday morning sessions or the twice a week late afternoon sessions. The cost of this program is $150.00 per term. There are approximately 18 sessions each term. If you would like to have your child attend, please complete the following application and return to Dr. JoAnne Vazzano. If you would like more information, please call Dr. JoAnne Vazzano at 773-442-5388 or email her at j-vazzano@neiu.edu. Summer sessions are very popular and fill quickly.

Please do not send any money until you are notified that your child has been accepted into the summer 2015 tutoring program. Acceptance letters are sent in early May 2015.
