

Credit By Examination

The BAIS Program accepts three types of exam credit:

- College Level Examination Program ([CLEP](#)) exams given by the College Board.
- [DSST](#) (formerly the DAN TES Subject Standardized Test exams)
- Back Credit in conjunction with coursework offered by NEIU's [Department of World Languages and Cultures](#)

Before scheduling a test, it is highly recommended that you first consult with a BAIS Advisor.

NOTE: Please check the CLEP and DSST websites linked above for the most current information on tests offered and upper/lower division status.
