

Dear Families,

Summer is upon us, and another school year has come to an end! We now begin our summer program, which allows for more flexibility, and time outside.

Over the summer, we will explore a variety of themes: Father's Day, Wild Animals, Ocean Life, Beaches and Rocks, Independence Day, and other topics of interest! The Busy Bees are welcome to bring in books on these topics.

It was wonderful seeing you all at Portfolio Pick-Up! Thank you so much for all of your cooperation throughout the years! We appreciate you more than you could know! Please come back and visit us and have a safe and happy summer!

Sincerely,
Heather and Lucia
