

Hello Parents

The month of October was filled with new and exciting things. The children noticed the changing colors of the leaves and during our nature walks they would point them out. They walked on the leaves and made crunchy sound as well as they picked up the leaf and tossed them into the air. They also noticed that some trees didn't have any leaves. They learned new songs for autumn, circle, black and orange too. Thank you to all for the Halloween treats! Over all it was a good month.

In November, the theme is about Harvest. The first week we will be discussing the farm and how the seeds are planted and then harvested, then we'll discuss how it get shipped, the third week, we will talk about stores and the last week is about THANKSGIVING and its meaning. I hope that you can help us explain the important meaning of this special event to your child.

The color we are learning this month is BROWN. The shape we are working on is the rectangle. We will be looking around our room and finding different objects that are brown and rectangular.

November 7, 8 and 11 are the progress report Parent's / Teachers Conferences via Zoom. A sign-up sheet will be sent to through your emails for you the sign up between the hours of 1:15 to 2: 45.

Just a reminder that, we go outside every day when the weather permits, please be sure your child is appropriately dressed. In addition, please remember your child should be in school by 9:00AM and if you would like to have a snack, your child needs to be in no later than 8:45 AM.

Ms. Ada & Ms. Bobbi

November Songs

Rectangle song

(tune: “The Farmer in the Dell”)

Rectangles everywhere!

Rectangles everywhere!

Two sides are short.

Two sides are long.

Rectangles everywhere!

The shape of a door,

the rug on the floor,

the shape of a painting...

and ever so much more!

Brown song (tune: “Old MacDonald”)

Brown is a color I can spell.

B-r-o-w-n.

Brown is a color I can spell.

B-r-o-w-n.

There’s a brown dog here,

and a brown bear there...

Brown horse, brown cow-

everything is brown now!

Brown is a color I can spell.

B-r-o-w-n.

November Song
(tune: “On Top of Old Smokey”)

The month of November
Has Thanksgiving Day.
We gather for dinner,
Watch football, and play!
With turkey and stuffing
And cranberries, too,
We’re thankful for family
And friends just like you!
